On April 29, 2026, the County of Westchester ("County") received and opened seven (7) bids for Contract No. 23-513 for Rehabilitation of Ardsley Road Bridges over Bronx River (BIN 3348280) and Bronx River Parkway (BIN 3348790), Town of Greenburgh and Village of Scarsdale, New York.

The bids were reviewed by the Department of Public Works and Transportation ("Department") and it was determined that ELQ Industries, Inc. submitted the low bid in the amount of \$4,653,335.75.

The objective of this contract is to rehabilitate structurally deficient bridges over the Bronx River and Bronx River Parkway in the area of the Village of Scarsdale in connection to Ardsley Road in the Town of Greenburgh which is one of the main arterial roads connecting surrounding towns to the west area of Westchester County at Hudson River, to meet current NYSDOT and AASHTO standards.

This contract is in the public's best interest because the structures are highly traveled and provide a vital link to White Plains. Further deterioration of these structures would cause serious disruptions to the public. The rehabilitated structures will ensure this vital link is maintained. The rehabilitated structures will also have lower maintenance requirements, therefore lowering future costs to the public.

The Department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

It is my recommendation that Contract No. 23-513 be awarded to ELQ Industries, Inc. in the amount of \$4,653,335.75.
