DATE: February 4, 2026

TO: Honorable Members of the Board of Acquisition and Contract

FROM: Ernest McFadden, Executive Director
Westchester County Youth Bureau

SUBJECT: Request for authority for the County of Westchester to enter into forty (40) agreements with the contractors listed on the attachment to the resolution pursuant to which the contractors will operate a portion of the County's Invest-in-Kids Program (for the period January 1, 2026 through December 31, 2028 for a total aggregate amount of \$8,880,066.

Authority is hereby requested for the County of Westchester ("County") to enter into forty (40) agreements ("Agreements") with the contractors listed on the attachment to the resolution ("Contractors"), pursuant to which the Contractors will operate a portion of the County's Invest-in-Kids Program ("Program"). The terms of the Agreements will commence on January 1, 2026 and continue through December 31, 2028. The County will contribute an amount not to exceed \$7,992,000 across all Agreements and the Contractors will contribute an amount of \$888,066 over the three-year term for a total aggregate amount of \$8,880,066.

The forty (40) Contractors and the cost breakdown of their fifty-four (54) programs are set forth on the schedule attached hereto.

The Program purpose is to contract with qualified community-based organizations that will provide innovative positive youth development services, opportunities, and supports to address the needs of at-risk youth under age 21. The Program allows the Westchester County Youth Bureau ("Bureau") to create safety nets that interlock the physical, intellectual, psychological, emotional, and social assets needed for youth to succeed and thrive. The Invest in Kids programming supports the Bureau's mission to ensure equity and access to formal and informal services, supports, and opportunities for County children, youth, and families.

The Agreements are exempt from the Westchester County Procurement Policy and Procedures pursuant to section 3(a) xviii thereof. However, although not required by law, the Bureau issued a Request for Proposals ("RFP") in 2025 for the program years 2026 - 2028 and the Contractors submitted proposals in response to that RFP for that three-year period.

The Agreements will serve a public purpose by providing County youth per funding year with positive youth development opportunities that will provide them with the tools to successfully grow from early childhood, through adolescence and into adulthood. The Program will implement evidence-based curriculum that address specific areas of positive youth development such as, academic support services, youth employment training, resume and job assistance, college and career exploration, career development and readiness, health education, nutrition fitness and wellness programming, educational advocacy services, prevention for health risk behaviors, civic engagement, community service and advocacy projects, drop in services for LGBTQ+ youth, conservation leadership training, ecological literacy programs, STEM curriculum, youth activism, cultural service projects, after school and summer activities, financial workshops, personal growth and skill building, positive peer interaction and peer facilitated mediation, self-esteem building, healthy relationship workshops, and violence and crime prevention and intervention services. The Contractors will administer internal controls to collect and analyze qualitative and quantitative outcomes to measure the efficacy of program goals and their ability to increase positive youth development. Outcomes will be tracked and monitored by evaluation of the program data; monthly, quarterly, and annual reports submitted to the Bureau, and through site visits by Bureau Program Monitors. The Agreements anticipate outcomes of positive skills attainment, social competencies, and an increased measure of positive youth development across all measurable areas.

An appropriate Resolution is herewith attached for your Honorable Board's consideration.

RESOLUTION

Upon a communication from the Executive Director of the Westchester County Youth Bureau, be it hereby

RESOLVED, that the County of Westchester ("County") is hereby authorized to enter into forty (40) agreements ("Agreements") with the contractors listed on the attachment hereto ("Contractors") pursuant to which the Contractors will operate a portion of the County's "Invest-in-Kids" Program from January 1, 2026 through December 31, 2028 for a three-year total aggregate amount of \$8,880,066, comprised of \$7,992,000 payable by the County plus a \$888,066 match to be contributed by the Contractors over the-three year term; and be it further

RESOLVED, that these Agreements are subject to County appropriations; and be it further

The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate these Agreements or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Contractors, then the Contractors shall have the right to terminate their Agreements upon reasonable prior written notice; and be it further

RESOLVED, that the County Executive or his duly authorized designee be, and hereby is, authorized to take such actions and execute such documents as may be necessary and appropriate to effectuate the purposes hereof.
