TO: Honorable Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: September 9, 2025

SUBJECT: Resolution adopting a Negative Declaration pursuant to the requirements of the State Environmental Quality Review Act in connection with entering into two grant agreements with the United States of America, acting through the Federal Aviation Administration, to accept Airport Improvement Program ("AIP") Grants for Capital Project Number A0118 - Runway 16/34 Rehabilitation at the Westchester County Airport, in the amount of 1) \$12,291,114 (Grant No. 3-36-0123-143-2025), and 2) \$2,761,323 (Grant No. 3-36-0123-144-2025).

There are currently before your Honorable Board two Resolutions to authorize the County to enter into two grant agreements with the United States of America, acting through the Federal Aviation Administration ("FAA"), to accept Airport Improvement Program ("AIP") Grants for Capital Project Number A0118 - Runway 16/34 Rehabilitation at the Westchester County Airport, in the amount of 1) \$12,291,114 (Grant No. 3-36-0123-143-2025), and 2) \$2,761,323 (Grant No. 3-36-0123-144-2025). The purpose of these grants is to fund the rehabilitation of Runway 16/34 at the Westchester County Airport. The total estimated cost of this portion of the project is \$16,724,931. The FAA will fund 90% of this amount through the AIP Grants, the New York State Department of Transportation has indicated that it will fund 5%, and the County's 5% local share will be funded through the Airport Special Revenue Fund.

With the assistance of the Planning Department, it was determined that the proposed capital project would constitute a Type I action under the State Environmental Quality Review Act ("SEQRA") and its implementing regulations 6 NYCRR Part 617, requiring an assessment of potential environmental impacts prior to any action by this Board to authorize these agreements.

To assist this Board in complying with the requirements of SEQRA, transmitted herewith is a Full Environmental Assessment Form ("EAF") prepared by the Department of Planning. Your Honorable Board should carefully consider the proposed project and review the attached EAF and the criteria contained in Section 617.7 of 6 NYCRR Part 617 to identify the relevant areas of environmental concern.

Once you have thoroughly analyzed the relevant areas of concern, you must determine if the proposed action may have a significant impact on the environment. For the reasons set forth in the attached EAF, the Planning Department analysis concludes that the proposed action will not have any significant adverse impact on the environment. The EAF and a resolution in support of this determination of significance are submitted for your review and consideration. Your Honorable Board may utilize the professional advice and assistance of the Planning Department in making your required determination under the applicable SEQRA regulations.

I recommend approval of the annexed Resolution prior to authorizing the County to enter into the grant agreements.
