SUBJECT: Resolution Authorizing the Agreement between the County of Westchester, Ramesh Deivasigamani and AltaVista Lead Improvement, Inc. for Lead-Based Paint Improvements to the single-family home located at 209 Rockledge Avenue, Unit A, in Buchanan, New York.

The attached resolution, if approved by your Honorable Board, would authorize the County of Westchester (the "County") to enter into an agreement with AltaVista Lead Improvement, Inc. (the "Contractor") and Ramesh Deivasigamani (the "Property Owner"), pursuant to which the Contractor will make repairs to the single-family home located at 209 Rockledge Avenue, Unit A, in Buchanan (the "Property") through the Lead Safe Westchester ("LSW") Program, a program designed to reduce lead-based paint hazards. This agreement will be in an amount not to exceed \$45,500 pursuant to an approved budget. The term of the agreement will commence on January 15, 2026 and continue through June 30, 2026.

The LSW Program will finance repairs completed by an EPA Certified Contractor to stabilize deteriorated lead-based paint at the Property that have been identified in a lead inspection/risk assessment as well as areas cited in a Department of Health ("DOH") violation in response to a child in residence with an elevated blood lead level.

The goal and objective of this agreement is to provide a safe and healthy environment for the residents of this Property. The project will be monitored by Department of Planning staff who will make site visits during the construction to ensure all contractual obligations are met.

In accordance with Section 5 of the County's Procurement Policy and Procedures, the Department of Planning solicited proposals from EPA-certified lead contractors. Of the four proposals received, the contract was awarded to AltaVista Lead Improvement, Inc.

On January 12, 2023, the Board of Acquisition and Contract approved a resolution authorizing the County of Westchester to enter into a grant agreement with the United States Department of Housing & Urban Development, Office of Lead Hazard Control

and Healthy Homes for an amount totaling \$4,100,000.00 to reduce lead-based paint hazards in Westchester County.

I recommend approval of this agreement.
