Re: Authority to amend a resolution authorizing an agreement with Brewster Central School District wherein Westchester Community College would provide advisory services & resources in furtherance of the development of their P-Tech program in order to adjust the start date from September 1, 2024 to July 1, 2024

On October 10, 2024, Your Honorable Board, authorized Westchester Community College (the "College") to enter into an agreement with the Brewster Central School District ("District") in order for the College to provide advisory services & resources in furtherance of the development of the P-Tech program to prepare District students for high-skilled jobs in technology & manufacturing for the period September 1, 2024 through June 30, 2025 at an agreed fee payable to the College not to exceed \$5,376.00. The Agreement has not been fully executed.

Authority is hereby requested to amend the above referenced resolution in order to adjust the start date from September 1, 2024 to July 1, 2024. All other terms and conditions will remain the same.

It is in the best interest of the College to offer these services to encourage cooperation between local school districts and the College and possibly serve as an avenue for more students to attend Westchester Community College.

Accordingly, I recommend adoption of the attached resolution.
