New Business

More legislative updates near end of 2025 relating to county budget, plus others. Next updating laws relating to electricians and towing industry.

New policy established relating to public access to our office (mostly contractors).

Continuing our updates through social media – our TikTok videos have been a big hit!

Public Speaking events still busy – we're always available to speak to civic groups. This Council should feel free to offer our services.

We are gearing up for multiple Ethnic/Cultural Festivals at Kensico Dam and other outdoor events this summer.

We needed to deal with some big staffing changes this year.
