RE: Authority for the County of Westchester, acting by and through its Department of Social Services, to enter into an agreement with the New York State Industries for the Disabled ("NYSID") for document scanning and indexing services for the Westchester County Department of Social Services for the three (3) year period from September 16, 2025 to September 15, 2028, for a total amount not to exceed \$3,014,715.34 during the initial term, with the County in its sole discretion, having the option to extend the term of the Agreement for up to two (2) one (1) year periods thereafter, at the rate of \$1,065,957.47 in the first year, \$1,098,104.87 in the second year, upon the same terms and conditions, to be paid pursuant to an approved budget and subject to further approval by your Honorable Board; to approve Ability Beyond Disability, Inc. and MetaSource, LLC as subcontractors; and to exempt NYSID from the County's Performance and Payment Bond requirement.

Authority is hereby requested for the County of Westchester (the "County"), acting by and through its Department of Social Services ("DSS") to enter into an agreement with the New York State Industries for the Disabled ("NYSID") for document scanning and indexing services for DSS for the three (3) year period commencing retroactively on September 16, 2025 and continuing through September 15, 2028, for a total amount not to exceed \$3,014,715.34, payable at approved rates and subject to appropriations (DSS2000FA-25 the "Agreement"); to approve as subcontractors; Ability Beyond Disability, Inc. ("Ability Beyond") and MetaSource, LLC ("MetaSource"), and to exempt NYSID from the County's Performance and Payment Bond requirement. The County may, at its sole option, renew the agreement for up to two additional one year terms at the following not-to-exceed amounts: \$1,065,957.47 for the first renewal option and \$1,098,104.87 for the second renewal option, subject to the further approval of your Honorable Board.

The State of New York enacted legislation (New York State Finance Law § 162) which not only exempts the procurement of certain products and services from competitive procurement provisions, but also requires the County to give designated preferred sources an opportunity to provide these commodities or services. The exemption applies to the provision of document scanning and indexing services and NYSID is a preferred source.

NYSID is a non-profit organization established in 1976 by the New York State Commissioner of Education to act as the central coordinator for member organizations, which serve people with disabilities by making those organizations eligible for State contracts as preferred providers. As of today, approximately one hundred twenty five (125) organizations are certified for NYSID membership, and Ability Beyond Disability, Inc., 480 Bedford Road, Chappaqua, NY 10514 and MetaSource, LLC, 150 Clearbrook Rd #125, Elmsford, N.Y. 10523, are such member agencies.

In accordance with, and pursuant to the provisions contained in State Finance Law § 162, the County notified NYSID describing the requirements of this contract, and NYSID submitted a notice of intent within the requisite ten (10) days to provide the services. In accordance with State Finance Law § 162, the County has reviewed the information provided by NYSID and has determined that the services are available in the "form, function and utility" required by the County.

Pursuant to State Finance Law § 162, the Commissioner of the New York State Office of General Services ("OGS") sets the fair market price for services and determines whether a proposed price is within fifteen percent (15%) of the fair market price. The County must utilize that preferred provider as long as the price for the services does not exceed fifteen percent (15%) of the fair market price for such services as determined by OGS (in situations where the total amount of the agreement is less than \$50,000, the County must make the determination whether or not the proposed price is reasonable). OGS has determined that the proposed price under this contract is reasonable based on the applicable Prevailing Wage Schedule as set by the New York State Commissioner of Labor and taking into account the provisions of the Westchester County Living Wage Law.

NYSID will perform the document preparation services by utilizing Ability Beyond Disability, Inc. and MetaSource, LLC, as subcontractors. The utilization of Ability Beyond Disability, Inc. and MetaSource, LLC, and the population they serve, individuals with disabilities, as subcontractors on this contract, is precisely the arrangement that was envisioned when NYSID was set up and the preferred source procurement was adopted.

NYSID has provided services to the County for a number of years and currently has other contracts with the County. Accordingly, authority is requested to eliminate the requirement that NYSID provide a Performance and Payment Bond.

This contract is in the public's best interest because it will maintain operational efficiencies while reducing costs in DSS. DSS will track the agreement's progress by

performing quality control for indexed documents to ensure legibility and correct categorization.

Accordingly, authorization to award the contract for document scanning and indexing services at DSS to NYSID is requested. I recommend approval of the attached resolution.
