Re: Authority for the County of Westchester, acting by and through Westchester Community College, to enter into an agreement with the Yonkers Public Schools, acting by and through its Board of Education, to provide students with the opportunity to earn college credits and enable P-TECH teachers to engage in professional development to align curricula and learning goals, for the period September 1, 2025 through August 31, 2026, whereby the College shall be paid an amount not-to-exceed \$430,115.87.

Westchester Community College (the "College") and The Yonkers Public Schools, acting by and through its Board of Education (the "Yonkers Public Schools"), have collaborated on a number of programs over the years that have benefited both students and instructors from the Yonkers Public Schools.

Authority is requested to authorize the County of Westchester (the "County"), acting by and through the College, to enter into an agreement with the Yonkers Public Schools whereby the College will provide students with the opportunity to earn college credits and enable P-TECH teachers to engage in professional development to align curricula and learning goals (the "Services"). The proposed agreement will have a term commencing September 1, 2025, and terminating on August 31, 2026. In consideration for Services rendered, The Yonkers Public Schools will pay to the College an amount not to exceed Four Hundred Thirty Thousand One Hundred Fifteen and 87/100 Dollars (\$430,115.87).

Pursuant to the terms of the proposed Agreement, the College is required to agree, in a form similar to the following: to indemnify, defend, and hold the Yonkers Public Schools and the City of Yonkers and its officers, agents, elected officials, appointed officials, and employees harmless from any and all claims,

suits, proceedings, costs, liabilities, expenses (including any court costs and reasonable legal fees), or damages to real or tangible personal property and/or bodily injury to persons, including death, resulting from the College's employees, or agents negligence and/or willful misconduct arising directly or indirectly related to this Agreement.

This agreement is exempt from the operation of the Westchester County Procurement Policy pursuant to Section 3(a)(iii) in that it is an agreement with a political subdivision of the State of New York. The agreement is authorized pursuant to Section 6306.8 of the Education Law in that it is an agreement for a cooperative educational program with a school district. This is not a service that the School District could have performed for itself and therefore does not require Board of Legislators approval.

Accordingly, I recommend adoption of the attached resolution.
