Re: Authority for Westchester County, acting by and through Westchester Community College, to amend an affiliation agreement with Hudson Valley Hospital Center d/b/a New York-Presbyterian/Hudson Valley Hospital, whereby New York-Presbyterian/Hudson Valley Hospital was to provide supervised laboratory/clinical education and instructions to matriculated College's Students in its Respiratory Therapy, Radiology and Nursing Programs for a term commencing on or about January 1, 2024, and continuing in full force and effect unless terminated by either party upon written request to include the Paramedic Program.

---

By a Resolution approved on November 30, 2023 ("November 30<sup>th</sup> Resolution"), your Honorable Board authorized the County of Westchester (the "County"), acting by and through Westchester Community College (the "College"), to enter into an affiliation agreement with Hudson Valley Hospital Center d/b/a New York-Presbyterian/Hudson Valley Hospital (the "Hospital") to provide supervised laboratory/clinical education and instruction for matriculated College's students for the Respiratory Care, Radiologic Technology, Nursing Programs, for a term commencing on or about January 1, 2024, and continuing in full force and effect unless terminated by either party upon written notice (The "Agreement"). The Agreement was subsequently executed.

Thereafter, the College noticed that the Agreement did not include the supervised laboratory/clinical education for the Paramedic Program but that the November 30<sup>th</sup> Resolution authorized the inclusion of this program in the Agreement.

It is now necessary to amend the Agreement to add this program to the scope of work and authority is hereby requested to amend the affiliation agreement (the First Amendment") with the Hospital to include supervised laboratory/clinical education and instruction for students enrolled in College's Paramedic Program.

There is no cost to the College in connection with this Agreement and general oversight will be provided by College staff.

Except as otherwise specifically amended hereby, all remaining terms and conditions of the Agreement shall remain in full force and effect.

It is in the best interest of the College to provide clinical education and instruction programs, and, therefore, favorable consideration of the annexed proposed resolution is recommended.
