Commissioner of Social Services

Re: Authority for the County of Westchester to enter into an amendment of its agreement with Westchester Institute for Human Development for the provision of Aftercare Services for Foster and Therapeutic Care in order for the County to exercise the first of its four options by 1) extending the term thereof for the period from July 1, 2024 through June 30, 2025, and 2) increasing the not-to-exceed amount by an additional \$1,443,110, for services to be rendered during the extended term, pursuant to an approved budget.

Pursuant to an RFP issued by the Department of Social Services (the "Department") on June 7, 2023 and by a resolution approved on August 24th, 2023 (the "August 24th Resolution"), your Honorable Board authorized the County of Westchester (the "County") acting by and through its the Department, to enter into an agreement with Westchester Institute for Human Development ("WIHD"), for the provision of Aftercare Services for Foster and Therapeutic Care for the Department, for the term commencing July 1, 2023 and continuing through June 30, 2024, in the total not to exceed amount of \$1,446,615, with the County having the sole option to extend the term of the agreement upon the same terms and conditions for up to four additional one-year terms, in the amount of \$1,443,110 for the first year, \$1,482,949 for the second year, \$1,542,647 for the third year, and \$1,599,548 for the fourth year, to be paid pursuant to an approved budget (the "Agreement"). The Agreement was subsequently executed on or about October 17, 2023.

The Department has been satisfied with the quality of services provided to date by WIHD, and desires to exercise the first of its four (4) options to renew the Agreement for the period from July 1, 2024 through June 30, 2025 (the "First Option Period"; DSS6056-A-23). In consideration for services to be rendered during the First Option Period, the County shall pay WIHD an amount not to exceed \$1,443,110.

It should be noted that the County, acting by and through the Department, and in accordance with the applicable Federal regulations, performed a cost analysis of the costs for the County's first renewal option under the Agreement. After analyzing current marketplace costs for such services, the Department concluded that the costs of the option are reasonable and it is, therefore, economically prudent to exercise the County's first option under the Agreement in order to obtain these services for the period from July 1, 2024 through June 30, 2025.

Except as specifically amended hereby, all remaining terms and conditions of the Agreement shall remain in full force and effect.

Your Honorable Board's approval of the attached resolution is respectfully requested.
