---

By resolution approved on March 19, 2026 (the "March 19<sup>th</sup> Resolution"), your Honorable Board authorized the County of Westchester (the "County"), acting by and through its Department of Health (the "Department") to, *inter alia*, enter into a three-party Lead Remediation Agreement (the "LRA") with Diana Sorrentino (the "Participant") and Reset Renovation Partners, LLC (the "Contractor"), pursuant to which the Contractor would perform lead remediation services (the "Services") on Participant's property located at 92 Main Street, Apt. #1, Tarrytown, New York 10591 (the "Property"), in accordance with New York State's Leading in Lead Prevention Pilot Program (the "Program"), for the period commencing upon execution of the agreement between all parties and continuing through March 31<sup>st</sup>, 2027, in an amount not-to-exceed \$40,000.00. The LRA has not yet been executed.

Due to a failure, by the Contractor, to provide specific contract documents and required insurance certificates in a timely manner, the County, has rescinded and voided the original LRA. The Department has awarded the contract to the second lowest bidder, Lead Professionals, Inc., pursuant to an approved budget.

In order to reflect the change in the name of the contractor, it will be necessary to amend the March 19<sup>th</sup> Resolution. Accordingly, authority is respectfully requested to amend the March 19<sup>th</sup> Resolution, in order to: (i) change the Contractor from Reset Renovation Partners, LLC, to Lead Professionals, Inc.

Except as otherwise specifically amended hereby, all remaining terms and conditions of the March 19<sup>th</sup> Resolution shall remain in full force and effect upon the parties.

The goals and objectives of the LRA are to remediate lead hazards in rental units located in communities of concern in Westchester County.

Accordingly, authority is respectfully requested from your Honorable Board for the County to amend the March 19<sup>th</sup> Resolution as aforesaid.
