

109603

TO: Board of Acquisition and Contract

FROM: Hugh J. Greechan, Jr., P.E.
Commissioner of Public Works and Transportation

DATE: July 23, 2024

SUBJECT: Resolution for Authority to Advertise
Contract No. 20-519
Pumping Station Rehabilitation Program
Fenimore Road, Archville, and Country Club Lane Pumping Stations
Mamaroneck Valley and Ossining Sanitary Sewer Districts
Towns of Mamaroneck and Mount Pleasant, New York

The 2024 Capital Budget contains funds for the above referenced project.

The work under this contract consists of providing all necessary labor, material and equipment required for the rehabilitation of the Fenimore Road, Archville and Country Club Lane Pumping Stations in the Mamaroneck Valley and Ossining Sanitary Sewer Districts in the Towns of Mamaroneck and Mount Pleasant, New York. The work under this contract will include, but not be limited to, rehabilitation or replacement of major mechanical equipment and systems including sewage pumps, motors, drives, controls, piping and valves, gas and fire detection systems, electrical, lighting, heating, ventilation, and if present bar screens, chemical feed, emergency generators and security systems, as well as installation of necessary flood hazard mitigation measures, if required, at the Pumping Stations.

In accordance with Chapter 635 of the Laws of Westchester County, the Department of Public Works and Transportation has evaluated the needs of this project and determined that a Project Labor Agreement (PLA) will benefit and enhance the interests of the County in the timely and efficient completion of the project. The Contractor to whom this contract is awarded will be required to execute a PLA.

This contract is in the public's best interest because it effectuates long-term rehabilitation of these critical sewer system collection components avoiding potential adverse environmental impact to the surrounding properties. This work is necessary to prevent failure, including the occurrence of sewage overflow emergencies, that could allow sewage onto the surrounding properties and cause violations of the pumping station's State Pollutant Discharge Elimination System ("SPDES") Permit.

The department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

RESOLUTION

Upon communication from the Commissioner of Public Works and Transportation, be it

RESOLVED, that the Commissioner of Public Works and Transportation be and he hereby is authorized to solicit bids by public advertisement on the following contract:

CONTRACT NO. **20-519**

Pumping Station Rehabilitation Program
Fenimore Road, Archville, and Country Club Lane Pumping Stations
Mamaroneck Valley and Ossining Sanitary Sewer Districts
Towns of Mamaroneck and Mount Pleasant, New York
