RE: Authority to enter into an agreement, IT-1842, with Intergraph Corporation, which does business under the name of its Hexagon division, for 'Resident Systems Administrator' services, for Hexagon's 'OnCall Records' system, for the period from February 1, 2026 through January 31, 2029, for a total amount not-to-exceed \$937,211.00.

Authority is requested for the County of Westchester (the "County") to enter into an agreement with Intergraph Corporation, which does business under the name of its Hexagon division, ("Hexagon") pursuant to which Hexagon will provide the County with 'Resident Systems Administrator' services, for Hexagon's 'OnCall Records' system, which is a law enforcement records management system, for the period from February 1, 2026 through January 31, 2029, for a total amount not-to-exceed \$937,211.00, payable pursuant to an approved budget (the "Agreement").

The proposed Agreement will serve a public purpose by providing the Department of Public Safety ("DPS") with services to assist it with use of Hexagon's 'OnCall Records' system.

The goal and objective of the proposed Agreement is to provide DPS with the services to assist it with use of Hexagon's 'OnCall Records' system.

The goal and objective of the proposed Agreement is in the best interests of the County in terms of public safety, as providing DPS with the services to assist it with use of Hexagon's 'OnCall Records' system is anticipated to have positive impacts on operations and thereby enhance public safety.

The goal and objective of the proposed Agreement will be tracked and monitored by the staff of DPS and the Department of Information Technology.

The procurement of these services, under the proposed Agreement, is exempt from the Westchester County Procurement Policy and Procedures pursuant to Section 7 (formerly Section 9) thereof, as the County has determined, after reasonable investigation, that Hexagon is the sole practicable source for the required services, as the 'OnCall Records' system is proprietary to Hexagon.

I respectfully recommend approval of the attached resolution.
