RE: Authorization to enter into an Agreement with Tandym Group, LLC for the provision of temporary per diem licensed and support staff positions for Westchester County Department of Health STI, TB and immunization clinics and community vaccination clinics, all positions as needed, for a term commencing retroactive to January 1, 2025 and continuing through December 31, 2025 in an amount not-to-exceed \$50,000, payable at the stated contract rates in Schedule "A"

Authority is requested for the County of Westchester (the "County") to enter into an agreement with Tandym Group, LLC ("Tandym"), acting by and through its Department of Health ("WCDH"), pursuant to which Tandym will provide the WCDH with temporary per diem licensed and support staff positions for the WCDH STI, TB and Immunization clinics and community vaccination clinics (the "Services"), all positions as needed, for a term commencing retroactive to January 1, 2025 and continuing through December 31, 2025, in an amount not-to-exceed \$50,000, payable at the stated contract rates (the "Agreement").

The Services will be used only as needed, either in the event of WCDH clinic staff persons being out on sick leave or the scheduling of a community pop-up vaccination clinic to address a possible outbreak of an emergent disease.

The proposed Agreement will serve a public purpose in protecting the public health of County residents, especially the recent vulnerable migrant and asylum residents, by ensuring that the WCDH STI, TB and Immunization clinics are fully staffed to serve this population and other County residents.

The goals and objectives of the proposed Agreement are to minimize the spread of these serious communicable diseases, test and treat if needed. In addition, the Services can also provide for additional staffing should there be an outbreak of an emergent disease that requires swift action

The goals and objectives of the proposed Agreement will be tracked and monitored by the supervisory clinic staff of the WCDH.

The proposed Agreement is exempt from the County's Procurement Policy pursuant to Section 3(a)(viii) thereof.

Accordingly, the attached resolution is submitted for your consideration.
