RE: Authority to enter into an agreement with Oak View Animal Hospital, PLLC d/b/a North Westchester Veterinary Office, for the provision of veterinary care for the Department of Public Safety Services and Department of Emergency Services Police K-9s, for a term commencing on March 1, 2026, and continuing through February 28, 2029, in an amount not to exceed \$129,000, pursuant to an approved budget.

Attached for your consideration is a Resolution which, if approved by your Honorable Board, would authorize the County of Westchester (the "County"), acting by and through its Department of Public Safety Services and Department of Emergency Services (the "Departments"), to enter into an agreement (the "Agreement") with Oak View Animal Hospital, PLLC d/b/a North Westchester Veterinary Office ("Oak View") pursuant to which Oak View will provide veterinary care for the Departments' Police K-9s for a term commencing on March 1, 2026 and continuing through February 28, 2029. In consideration for the services rendered, Oak View will be paid an amount not-to-exceed \$129,000.00, payable as invoiced, at the rates for service in effect at the time services are delivered. In the event that Oak View changes its rates during the term of this Agreement, it shall immediately provide the County with an updated rate schedule prior to performing any additional services.

The public purpose of this Agreement is to establish veterinary care for the Departments' Police K-9s. These K-9s provide scent detection for explosives, narcotics, and tracking capabilities for search and rescue. Currently, the Department of Public Safety Services has twelve (12) police K-9s, and the Department of Emergency Services has one (1) K-9 that are trained and certified according to various state and national standards.

The goals and objectives of this program will support the public safety and/or welfare by maintaining the health of the Departments' special operations and Police K-9s, thus allowing them to provide support services in those specific fields as necessary.

The goals and objectives of this program will be tracked and monitored by the Department of Public Safety Service's Commanding Officer of the Special Operations Division.

The Agreement is exempt from the Westchester County Procurement Policy pursuant to Section 3 (a) viii thereof.

Accordingly, authority is respectfully sought for the County of Westchester to enter into this Agreement.
