SUBJECT: Resolution to Reject Bids and Re-Advertise
Contract No. 24-530
Electrical Service Upgrade
Mohansic Golf Course
Yorktown Heights, New York

On January 7, 2026, four (4) bids were received for Contract No. 24-530 for Electrical Service Upgrade, Mohansic Golf Course, Yorktown Heights, New York.

Subsequently, the County of Westchester ("County") was advised that Con Edison requires electrical cabling of a greater capacity and size than originally specified and as such the overall project cost will be materially and adversely impacted. The Department of Public Works and Transportation is reviewing the contract documents and has determined that it is in the County's best interest to modify the specifications.

Therefore, authority is requested to reject all bids and re-advertise as Contract No. 24-530-Rev.

The objective of this project is to increase the capability of the electric feeders at the Mohansic Golf Course.

This contract is in the County's best interest because it will provide for a properly maintained golf course for public use.

The Department will track scheduling and accomplishments by the contractor and perform on-site inspections to ensure the successful completion of this project.

This resolution has been reviewed by the Law Department.
