B. ALJ Recommendations

1. June 22, 2021 - Formal Hearings (newly-added decisions)
Discussion: WCTLC v. 1st Choice Taxi and Limo Inc.

Chairperson Eustache explained that the board is being asked to consider newly-added ALJ recommendations from formal hearings that were held on June 22, 2021. The written recommendations pertain to a series of matters against 1st Choice Taxi and Limo and associated respondents. Post-trial memos were submitted by the respondents and TLC.

Respondents had stipulated to the facts in each matter but were challenging TLC's authority to issue tickets to 1st Choice's taxis as a result of the taxi exemption in the for-hire vehicle law. 1st Choice's attorney also argued that TLC Enforcement Officer K. Marco wrongfully targeted respondents as a result of information from the New Rochelle Police Department regarding the revocation of 1st Choice's medallions and that the ALJ recommendations should be deferred until the final disposition of an Article 78 proceeding filed by a separate respondent--Splendid Taxi. Although a decision had already been made in the Splendid matter, a motion to reargue was pending at the time of 1st Choice post-hearing memo and its attorney argued that the 1st Choice hearing recommendations should be deferred until there was a motion decision and appeal decision in the Splendid matter.

TLC's post hearing memo argued that it was not overreaching its authority in

issuing tickets to 1st choice taxis that were operating with revoked medallions and/or outside of their licensing jurisdiction. TLC also denied any wrongdoing by Officer Marco in sharing information with New Rochelle PD and argued that deferring the ALJ recommendations pending the outcome of a proceeding that does not involve 1st Choice was impractical and improper.'

After considering the entire record, ALJ Bill Gianaris issued a series of report and recommendations finding that TLC was not overreaching its authority. ALJ Gianaris then made recommendations regarding the guilt of 1st Choice based on the facts of each individual stop and there were the recommendations before the board today.

After an initial motion by Mort David was raised, seconded by Jorge Rodrigues and passed, Ed Stoppelmann made a motion to reopen it because the motion language referred to the Splendid matter and Ed thought it was best for it to be clear that the board's decision in the 1st Choice matters was in no way contingent upon the Splendid Article 78. Jorge Rodrigues seconded the reopening motion which passed. After some cross discussion, Jorge Rodrigues made a motion to approve the 1st Choice decisions with no language referencing the Splendid matter. Terry Toal seconded that motion which passed by a majority with all members voting in favor except Chairperson Eustache who abstained in light of her having contributed to the post-hearing memo for TLC.

Motion to approve by Jorge Rodrigues, seconded by Ed Stoppelmann. Motion passed unanimously.
